

# Safer Internet Day 2010

February 9th 2010 is European Safer Internet Day. There are lots of activities across Knowsley. Get involved and learn how to stay safe on-line!

European Safer Internet Day is recognised across Europe. This year's theme is "Think B4 U Post!". You can find out what other countries are doing by visiting [www.saferinternetday.org](http://www.saferinternetday.org). Knowsley is committed to ensuring you can take your rightful place in the global community by using the internet safely. We do this all year round but Safer Internet Day gives us the opportunity go join with internet users across Europe to make the virtual world a safe place to be. There are lots of activities for you to get involved in - further information can be found at: [www.knowsleysafeguardingchildren.co.uk](http://www.knowsleysafeguardingchildren.co.uk) and [www.knowsleyclcs.org.uk/esafety.html](http://www.knowsleyclcs.org.uk/esafety.html)

Knowsley City Learning Centres are happy to arrange an eSafety awareness training session – to discuss your needs please ring us on 0151 477 8040
