Protection Officer **Community Brands UK**

Online safety and GDPR/Data Protection
in schools.

How complying with GDPR/DPA2018 helps
with protecting children’s personal data. An
overview of what the ICO has found when
undertaking audits in schools/MATs along
with our own findings from our national
GDPR survey of schools and our own GDPR
audits on schools and MATS.

14.05 - 14.50: Ruth Rule-Mullen

(**Forbes Solicitors**)

Social Media – Uses and Misuses

Social media has changed the way we live
and work. There are significant benefits to
greater access to the world at large but also
the potential for significant risks and damage
to reputation. Social media at work needs to
be utilised but with measures in place to
protect the unwary. This session will provide
you with and insight into recent issues and
how to put those measures in place.

14.50 – 15.05: Tea/Coffee Break

15.05 – 15.35: John Nixon

(Her Majesty’s Inspector, National Lead
for Computing and Online Safety, **Ofsted**)

Inspecting computing and online safety
using the new Education Inspection
Framework

15.35 - 15.45: Closing remarks/ Conference Close
